
WOMBAT HOLLOW

IRON BED & LAMP CO.

Sydney Morning Herald 'Essential' - 22 November 2008

Lighting

Michael Yabsley's debut light collection using salvaged materials sold out almost overnight this year. You'll need to be quick to nab one of the 100 knockout-quality classics at his exhibition. Expect everything from old surveyor's tripods to 1950s blowtorches, oil cans and shoe lasts. Until December 5.

Bottom line Lights from \$500; 1920s bench drill lamps with muslin shades (left), \$9250 the pair.
